

Case Study

Explore our case studies to see how we've delivered innovative, secure, and reliable solutions across diverse projects worldwide, helping clients overcome complex challenges and achieve lasting success.

Client

Randwick Council – Next Generation IDIS VMS

Client Challenge

- Randwick Council required over 450 cameras throughout all the Council properties
- The project to be within councils budget
- ECS International was mindful to come up with a product which was endorsed by the Council and the product had to have a five-year minimum history in Australia
- The product had to be locally supported

Integrated Solution

- ECS International recommended the IDIS CCTV system to the Council and engineered it to cover all their sites
- IDIS and PACOM recorders installed at different locations in the council area, with IDIS, PACOM, EVOnet, Axis and Panasonic cameras
- ISS VMS installed with centralized management of access privileges, and device management

Business Value Delivered

- IDIS DirectIP NVR's installed are fully optimized for stable and high performance, ensuring live viewing and recording simultaneously. Utilizing H.265 & Intelligent codec, IDIS saves up to 65% storage space compared with H.624. IDIS patent-protected iBankDB file system
- DirectIP NVRs provided secure and efficient robust data recording, searching, and video management

Photos

- The following are the types of cameras commissioned by ECS International.
 - PTZ Cameras – Long Range and Medium Range Cameras
 - 360-degree cameras
 - Outdoor and Indoor Dome Cameras
 - Bullet Cameras
